Hands On Science for All Explorers!

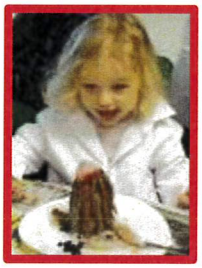
Little Volcanoes Science Club

AUTUMN TERM 2026

Frith Manor Primary School

Little Volcanoes Science Club *is for all little explorers and curious minds that are ready to do something different!*

Each lesson is a unique combination of interesting experiments and sensory hands-on activities with drama, puppetry and singing. It is led by an enthusiastic and highly qualified teacher with 25+ years teaching experience. Children will learn a variety of scientific topics across Biology, Chemistry, Physics, Astronomy, Geography and History, while having a lot of fun. They will develop their analytical, practical and social skills; learn through sensory and hands-on activities; construction toys and using specialised science equipment. Children will expand their vocabulary while learning about the world around them.



Open the door to an amazing world of science with us!
