Athena House Charity Event

Athena house captain and vice captain organised the first House fundraiser. They raised funds for the Movember charity. They painted moustaches and beards on the children in exchange for a donation.

Science in Year 3

Year 3 have been investigating different rocks as part of their new science topic. They have been getting hands on with different types of rocks and finding out which of them are porous, durable, hard or soft and how dense they are. They have been learning about the different types of rocks; sedimentary, igneous and metamorphic. They tested a variety of different rocks including chalk, clay, sandstone, pumice and marble.

Quotes: *"Water travels through some rocks, like pumice stone."* Krishh

"I enjoyed putting the rocks in the water to test their density." Molly

"It was fun because we got to find out about rocks and put water on them" Ivy

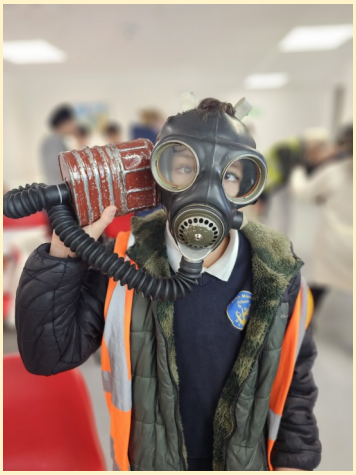
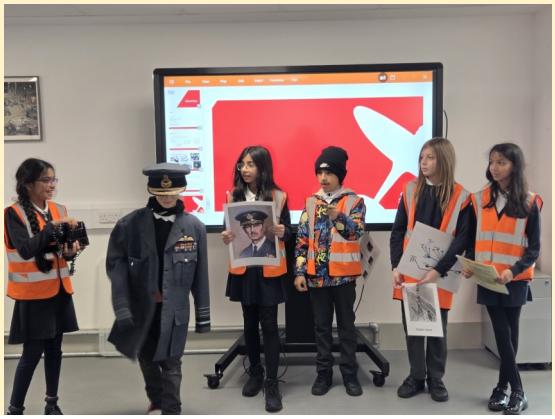
Year 6 RAF Museum Trip

Year 6 had an exciting trip to the RAF Museum, where we explored the hangars and discovered a variety of World War II planes. During our workshop on the Battle of Britain, we brought history to life by acting out the stories of remarkable figures from the RAF, including Hugh Dowding and Joan Mortimer. It was a fun and memorable day, full of learning and adventure. A big thank you to our parent helpers for supporting the trip! *Mrs Engelhardt*





Music at Frith Manor

Presents A

WINTER CONCERT

Choir, Orchestra, Ensembles, Groups

Thursday 11th December• 6pm

Tickets available on Arbor •£5 Adults, £3 Children

- Email: music@frithmanor.barnet.sch.uk

En Route!

The children are so excited to have started writing to children in our French Partner school. All classes from Little Acorns to Year 6 are linked with an equivalent class in France and just before half-term, we exchanged introductory cards and letters. Year 6 have now written letters to their individual penpals and they are excitedly waiting for their replies. *Mrs Shaw*

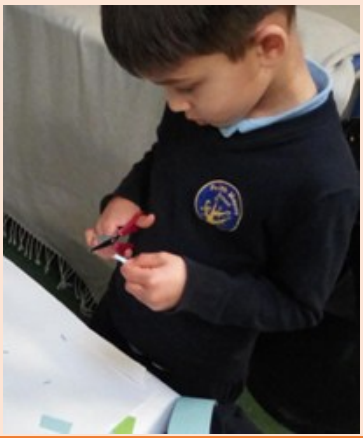
Adventures in Ruby Class

We have been working on developing our physical skills in Ruby Class. We had enormous fun whilst practising our gross motor movements through carrying, balancing, climbing and rolling the tyres up and down the ramp.

We have also been working hard to develop our fine motor skills through writing, drawing, threading, cutting and scooping.

The children are working hard in Ruby whilst having lots of fun.

Emma



If have any ribbons, sequins, coloured paper or wool to donate we would love to receive it. Please bring any donations to the Reception class-rooms, thank you!
