NFL comes to Frith

The NFL came to Frith Manor last week as London-born and current NFL star Jermaine Eluemunor hosted a camp on our field. 45 children from our years 4 and 6, as well as 3 other local secondary schools took part in drills and games all afternoon and much fun was had by all.

Jermaine, his team and the NFL foundation who helped run the event spoke so highly of all the children involved and have opened up the door to future events at Frith Manor.

Year 4 Multiplication Tables Check

This month, Year 4 completed the Government Multiplication Tables Check. They are given 25 questions and only 6 seconds to answer each one.

This week, we received our results. Everyone in Year 4 made a massive improvement in their times tables knowledge since the beginning of the year and should be so proud of themselves!

We achieved 88% of children scoring 20 or above and 56% getting full marks! Well done, Year 4! You performed incredibly well!

Miss Pareathamby

Year 3

In geography, year 3 have been learning about rivers. We used materials from around the classroom to create our own model rivers, including as many different features as we could, such as the source, river mouth, waterfalls, tributaries and more!

This week Lagoon thought they would cool off by practising their spellings outside. The children tested each other on all the new words they have learnt this year. Can you spell it while doing star jumps? Can you spell it while standing on one leg? Only then will you truly have mastered all your spellings!

D&T in Year 2

This week, our classrooms were transformed into royal workshops as we took on the exciting challenge of designing a brand-new throne fit for King Charles III!

Working in teams, we could only use newspaper, cardboard, and tape to bring our imaginative ideas to life.

We began by exploring all kinds of chairs and discovering what makes them strong, sturdy, and fit for a king. Next, we investigated clever ways to join surfaces at different angles, testing out techniques to see which would hold up best.

Once we were armed with knowledge, it was time to design! Each team planned their throne carefully before diving into building and decorating their unique creations.

Throughout the project, everyone showed fantastic teamwork, creativity, and problem-solving skills to tackle every challenge that came our way. The results were incredible—and definitely worthy of royalty!

Miss White

In Sunshine Class, we worked in groups to design, plan, and create our own chairs as part of our Design and Technology project. It was a challenging task, but along the way we developed new skills and, most importantly, we learned how to be more resilient.

Amber Class Assembly

This week, Amber Class impressed us all with their wonderful class assembly. The children confidently shared their knowledge of the United Kingdom and the seven continents, topics they have been learning about in their Geography lessons. They also spoke about what they've been discovering in History, where they have been learning all about famous explorers and their incredible journeys. It was a fantastic opportunity for the children to celebrate their hard work and learning. Well done to everyone in Amber Class! *Mrs Yankelowitz*

Join Just InCarnival this Notting Hill Carnival on Sunday 23rd August for a fun-filled kids costume experience!

We've got only 10 spaces available so don't miss your chance to be part of the magic, music and colour!

Book at www.justincarnival.com

Join us

on Saturday 5th July

for our Dig Day

We need volunteers **between 10.00am and 4.00pm** to help us tidy up the Peace Garden.

Can you spare an hour or two?

Bring your gardening gloves and if you have any equipment, bring it along.

We have some items you can use too (strimmers, etc).

Fun in Little Oaks

Little Oaks have been having a good time with water play this week! We've been finding fun and safe ways to stay cool—paddling in the water has been a big hit with the children. They've enjoyed exploring, splashing, and keeping refreshed!

Dates for the Diary

Mon 7th July (pm) — parents come in and help with costume making

Weds 9th July—Carnival. Starts at 2.15, on the field

Weds 16th July—Little Oaks Teddy Bears Picnic

Thurs 17th July—Year 6 show

Fri 18th July—Y6 disco

Tues 22nd July—end of term. School ends at 1.30pm

Music at Frith Manor - Dates for Summer Term Concerts and Assemblies.

Ensemble concert - Thurs 10th July 6pm

Woodwind assembly - Fri 11th July 9-9:20am KS2 / 9:20-9:40am KS1

Orchestra assembly - Fri 18th July 9-9:20am KS2 / 9:20-9:40am KS1

Please note—there may be dates added to this list. We will keep you updated.

Headteacher Coffee Mornings

All Welcome

July—Tues 8th, Mon 14th

Supporting your child to manage difficult emotions

BICS Family Minds Workshop series

Join us for a coffee morning on 10th July at 9:00-10.00 am for a parent workshop

Themes:

1. What is the human stress response?

2. How does our stress response affect our ability to manage our emotions?

3. What can I do to support my child when they are finding it hard to manage their emotions?

Everyone is welcome—whichever year group your child is in.

Children on playground before start of school day

Please do not allow your children to play with/on school equipment before the start of the day. Children should be supervised by their parent/carer until they are handed over to the class teacher. Classroom doors open at 8.30 for nurseries and 8.45 for the rest of the school.

Music

Enrolment and re-enrolment for music lessons

for September 2025.

Please enrol or re-enrol now for music lessons at Frith Manor if you haven't yet done so. These are the Google Forms to fill out. Continuing students cannot be guaranteed a place unless you fill out the Google Form. There is a special offer on Trumpet and Brass lessons as we wish to encourage new uptake of these wonderful instruments. For more information please contact Ruth Cohen on music@frithmanor.barnet.sch.uk.

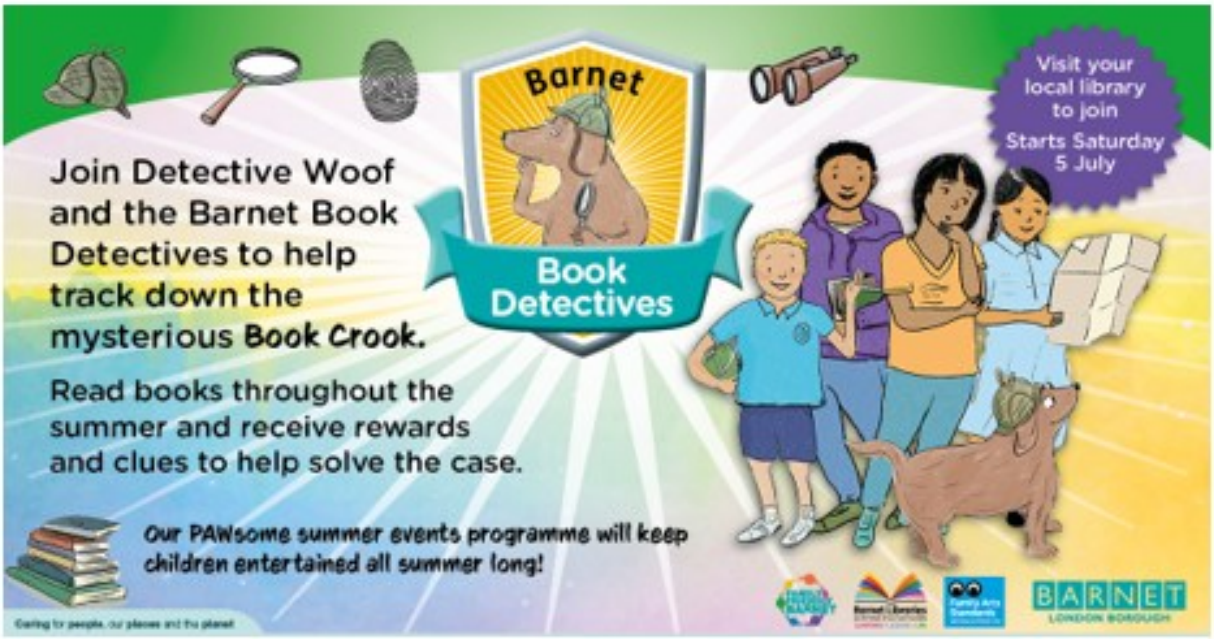
Newsletter article for parents and carers –

Barnet Book Detectives



Barnet Libraries are running a brand-new **Barnet Summer Read** over the holidays. It's called **Barnet Book Detectives**, and children aged 4 to 11 years are invited to read 6 library books in order to receive rewards and some clues to solve the mystery of the 'Book Crook'.

Sign up for **Barnet Book Detectives** at the library during staffed hours from Saturday 5 July, and receive a book journal packed with activities. In their Book Detectives Journal, children can log their summer reading journey, write reviews, follow a mystery trail, solve a code buster, and much more. There is also an exciting prize draw.

Mystery-themed activities for children are taking place in all our libraries over the summer, including an RAF Museum event and an opportunity to 'Solve a WW2 Mystery' with author Helen Peters. To find out more, pick up a Creative Communities programme from the library, or check our events online.

Parents and carers can also sign up to receive the Families eNewsletter to find out about the very latest Barnet Libraries book news and events.

See you at the library this summer!

Barnet Libraries, and the Book Crook
