Rosh Hashana

Jonathan and Hallel's mums, Amit and Gefen, came into Little Oaks last Friday to talk to the children about the Jewish holiday Rosh Hashanah.

We learned that Rosh Hashanah is the Jewish New Year. People celebrate by making Shana Tova cards to give to their family and friends. Sweet food is eaten to wish people a sweet year ahead. The children had the opportunity to try honey and apple.

Frith Manor celebrates National Poetry Day

On Thursday 3rd October, we celebrated National Poetry Day. This year's theme was 'counting'.

The children in EYFS learnt some counting rhymes and poems, with the Reception classes putting on performances of the poems to each other. The children in KS1 and KS2 had a number of special deliveries of limerick poems delivered to their class throughout the day. Limericks are humorous five-line poems with a specific rhyme scheme (aabba). And there were even more limericks posted up around the school in the corridors and the hall.

In the morning, the children in Y4-Y6 took part in a GUINNESS WORLD RECORDS™ title attempt for the largest poetry lesson in multiple venues. They collaborated with poet Laura Mucha to co-write a poem about 'what counts' with over 60,000 other 7-12 year olds. It will take quite a while for all of the evidence of the record attempt to be checked and verified and for us to know if we are world record holders. In the meantime, here is a link to the poem that our pupils helped to create: https://childrens.poetryarchive.org/poem/what-counts/ Isn't it great!

Please remember to keep using the app to raise funds for our school. Tell your family and friends! The deadline is November 30th.

Dangerous Driving

- We have seen parents driving into the staff car park and then reversing out so that they can park their car on the corner by the school. This is incredibly really dangerous, both for pedestrians and other drivers. Parents should not use the staff car park .
- Please do not ask staff to let you in or out through the playground gates as it is against school policy.

Parent Reminder

Please remember to bring in the items your child needs each day—lunchbox, musical instruments, coats and water bottles. The office staff are busy and do not have time to deliver items to classes if they're forgotten in the morning.

Widening Horizons

Thank you to all the parents who have volunteered to run Widening Horizons sessions for the children. They all had a fun Friday afternoon!

Art Therapy

Hello,

my name is Yasmin Gover Hadas, and I am a registered Art Therapist (HCPC, BAAT),

working at Frith Manor Primary School.

I am extending my services and wish to offer the Frith Manor Primary School's community private art therapy sessions on school premises and during school hours.

I firmly believe in integrating clinical expertise with visual art techniques and intervention,

in establishing a safe and expressive space that is conducive to healing.

Art therapy is a form of psychotherapy that utilizes the creative process of making art to improve and enhance physical, mental, and emotional well-being. Through various art mediums such as painting, drawing, sculpture, and collage, individuals can explore their thoughts, feelings, and experiences in a safe and supportive environment.

How Can Art Therapy Help for your child?

Whether you're struggling with anxiety, depression, trauma, or simply seeking personal growth and self-discovery, art therapy can provide a powerful outlet for expression and healing. My goal is to empower you to tap into your innate creativity and use it as a tool for self- exploration, insight, and transformation.

Teamwork

We are having themes days based around our school values. This week our theme has been teamwork. Here are some photos of our children showing their teamwork skills. Well done to our House Captains and Vice Captains, who led assemblies during the week.

Reception had an exciting week with the arrival of a mysterious egg. On Monday we predicted what might be inside the egg. We had lots of wonderful ideas such as a little man, a chick, a snake, a dragon and even a leopard. The next day we came in to find that the egg had CRACKED and on Wednesday we discovered a baby dinosaur. We voted on a name for our new friends and Poppy Class named their dinosaur Tim and Ruby Class named their dinosaur Fossily.

After we learnt a few dinosaur facts, we worked as team to look after Tim and Fossily by building them a home and giving them food.

Great teamwork Reception!
